SUBJECT : Questionnaires for Users of NIE's

1. You will recall that, pursuant to USIB-M-34, we have enclosed in selected NIEs a questionnaire designed to obtain a clearer picture of the professional interests and responsibilities of NIE users and the purposes for which NIEs are used. The small number of questionnaires received to date indicates either (1) that they are not being completed by many readers or (2) that they are not being returned through the channels indicated on the front page of the questionnaire.

2. It will contribute very much to the significance and utility of this inquiry if you will again bring these questionnaires to the attention of NIE users in your agency and request that they complete and return them as indicated. You will note that the form is very simple and will require only a few minutes to fill in.

3. It may be well also to remind your document control officers that completed questionnaires should be sent through the usual channels to the Office of Central Reference, CIA.

4. The NIEs in which questionnaires have already been enclosed are the following:

NIE 70-59 THE OUTLOOK IN WEST AFRICA THROUGH 1960,

16 June 1959

NIE 11-6-59 SOVIET SCIENCE AND TECHNOLOGY
